History

Right now you are living in a new world. Lots has changed around you and things are very different. In a few years' time we will look back and talk about what happened during lockdown of 2020. We would like to celebrate how as a community we adapted really quickly and how things changed. To do this we need your help!

Can you take photographs or draw pictures showing how things have changed? You might want to capture social distancing and draw some signs that you have seen either outside or on the TV. Or you may want to capture the change of wearing a face covering when using the bus. So many things are different at the moment, I can't wait to see what you find. There are resources to support discussions on the next pages.
